Instructions:

Would you like a full groom for your dog/s? Yes No

In the event of sickness / injury, do we have permission to take your dog/s to the vet?

Yes No Vet Contact:

Please note: If you tick "No" we will not be able to take your dog/s for boarding.

Dog/s must be fully treated for ticks & fleas. Please indicate if we can treat them for ticks & fleas should we find any sign of it on your dog/s. (Cost of treatment will be for owner's account) Please list the product you have them on currently.

Yes No Product:

We are devoted to providing a safe environment for your dog/s, regardless of breed, age and energy-level. Our goal is to ensure that your pet/s get the TLC needed. We also take all due care in ensuring your pet's safety and wellbeing, however, the management and staff will not be liable for any incident resulting in loss of property, sickness, runaway or death. Dogs are fed twice a day and will at all times have fresh water available.

We recommend all personal items be left at home and not brought in with your dog/s.

Walkies may be done on / off lead from time to time, depending on the walker's relationship with your dog/s.

Should we need to take your dog/s to the vet, you will always be contacted first. If we can't get a hold of you, we will do what's best for your dog's health / safety. No dog/s will be taken in for boarding without a signed Admission form.

Thank you for trusting us with your pet/s.

Notes: (please add all info we should know about your dog/s)
